

Presidency University Bachelor Degree Entrance Test

Notice regarding Eligibility criteria and choice of courses

Choice of courses: Each applicant can sit for the admission tests for a maximum of three subjects. Due to scheduling constraints, not all combinations of subjects are available. However, on the online form, the number of available combinations is larger than the combinations available at the time of registration. English, Geography and Economics are now made common for the two groups offered for admission test.

If any applicant feels that the examination schedule allows a combination of subjects that is not allowed by the online form, they should fill up the application form with at least one of the intended subjects, and send an email to help.admission@presiuniv.ac.in, asking for approval to sit for the remaining subject(s).

Eligibility criteria: Eligibility criteria for reserved categories (SC/ST/OBC-A/B) and to physically challenged (PWD) candidates have been implemented following the latest government orders, as detailed in the table below. For any queries or clarifications, please contact help.admission@presiuniv.ac.in.

Important Note: The last date of form submission along with fee payment has been extended to 30th June, 2015.
