## How to apply Online
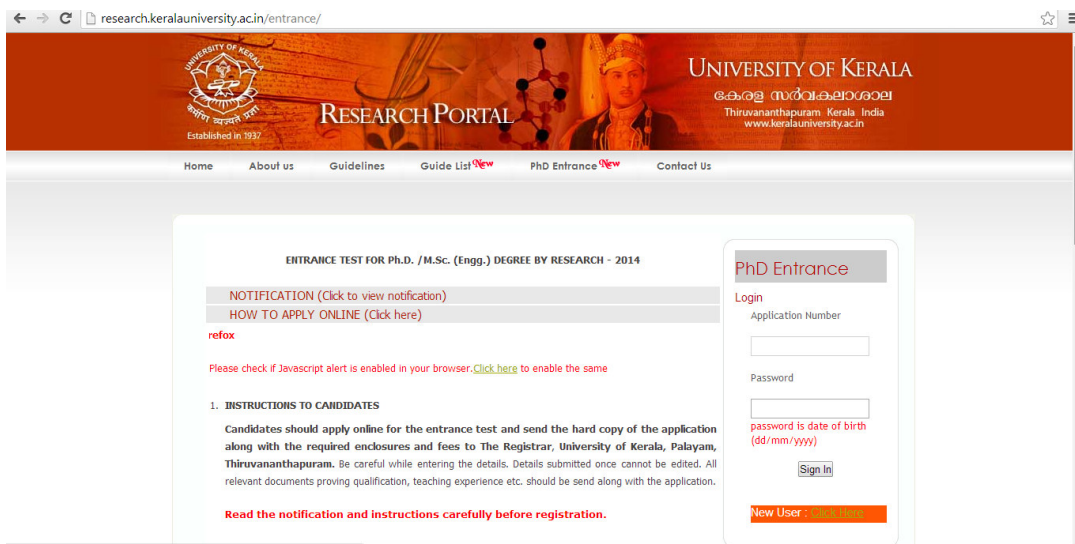

For better performance use Mozilla or Chrome.

Applicants can apply online for Ph.D entrance through the website **www.research.keralauniversity.ac.in**

Click on the link **Ph.D Entrance** link as shown below.

You will be taken to the Ph.D entrance registration page as in below screen shot.

Make sure you read the instructions and notifications.

4. Copy of relevant certificate in the case of SC/ST candidates attested by a Gazetted Officer(clearly shown with round seal) should be send along with the application.

5. Candidates who have appeared for Master's Degree Examination and whose results are awaiting should send an attested copy of the Hall Ticket along with the application (Last semester/year only will be considered). The applicant should have scored a minimum of 55% [45% for SC/ST] in aggregate at the Qualifying exam[PG/BTech].

6. If letter grades are assigned instead of marks at qualifying examination, the candidate must produce grade conversion certificate.

7. Fee once paid will not be refunded.

8. **Incomplete application will be summarily rejected**

Candidates should note that qualifying in the General Aptitude Test does not imply that they have been granted registration for research leading to Ph.D/M.Sc. (Engineering) Degree by Research. Separate application should be made for registration. The verification of the eligibility conditions with reference to the recognition of their qualifying degree and compliance of other formalities will be taken up only when the candidate applies for registration.

The University reserves the right to reject any application for proper reasons adduced therewith.

Proceed....

Click on the **Proceed** link towards the end of page and you will get the page for entering your details.

Carefully fill up the registration form. Check if your Qualifying Examination is available in the drop down list. If yes select from the list. If not select **Others** and type your exact degree in **specify if other/additional detail** textbox**.**

For some courses like MD , MS etc you can specify your   specialization in the **specify if other/additional detail** text box**.**

Select the Research Type, Faculty and Subject as available in the pull down list. If your research choice is not available in the list , then select Qualifying examination as **Others** and continue selecting the Research Type, Faculty and Subject.

Upload a recent photograph and sign. Make sure the image is of type.jpg and size not exceeding 40KB.

Fill up all the fields in the registration sheet.

Fee can be paid at University Cash Counters /Demand Draft/Friends Counter. Refer the notification for more details regarding the fees.

Click on the **Submit** button after verifying the details.

You will get a preview of the application as submitted by you. Refer screen shot below. Cross check the details and click on **Back** button to make further corrections if any.

Click on the **Submit** button in the Preview Page to finally submit your application. No further correction will be possible after this stage. You will receive your Application Number.

Read the instruction in the page carefully. As mentioned in the page, note down your **Application Number**. Use this number as User Id and Date of Birth as password for all further logins. You will receive updates on your application status and soft copy of hall ticket in your login page.
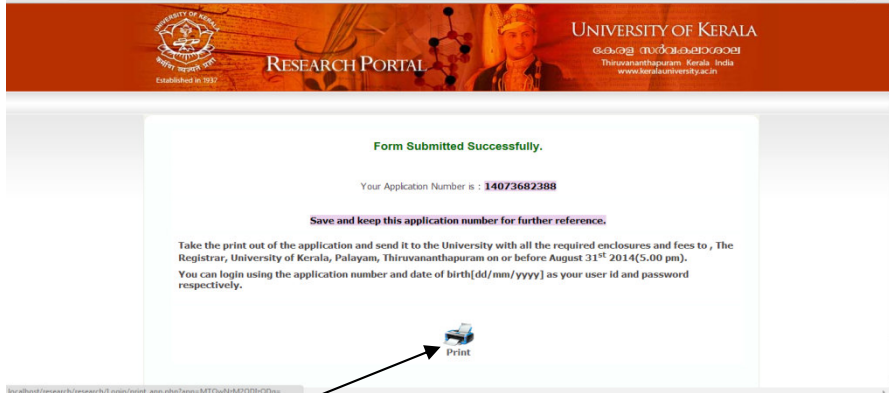

Click on the **print icon** to take a printout of your application.
